2 November 1953

MEMORANDUM FOR: Acting Personnel Director

SUBJECT : Medical Waivers for Overseas Personnel

REFERENCE : Memo fm Deputy Personnel Director to COA/DDP
dtd 22 October 1953; Subj: same as above

1. It is believed that the subject of referenced memorandum requires review to insure that the policy stated therein is in harmony with existing delegation of authority for the assignment of overseas personnel.

2. It is requested that your office prepare a paper to outline the advantages and limitations which surround the procedures discussed in your memorandum to the COA/DDP. In the event your study of the problem results in the recommendation that these policies and procedures be continued, it is my feeling that you should submit a proposed regulation to cover these points. Your reply should reach this office not later than 16 November 1953.

L. K. WHITE
Acting Deputy Director
